My Visit

I will arrive at the National Maritime Museum.

The people in blue uniforms work here.

They are happy to help!

ROYAL
OBSERVATORY
GREENWICH

There are toilets on the ground floor of the museum.

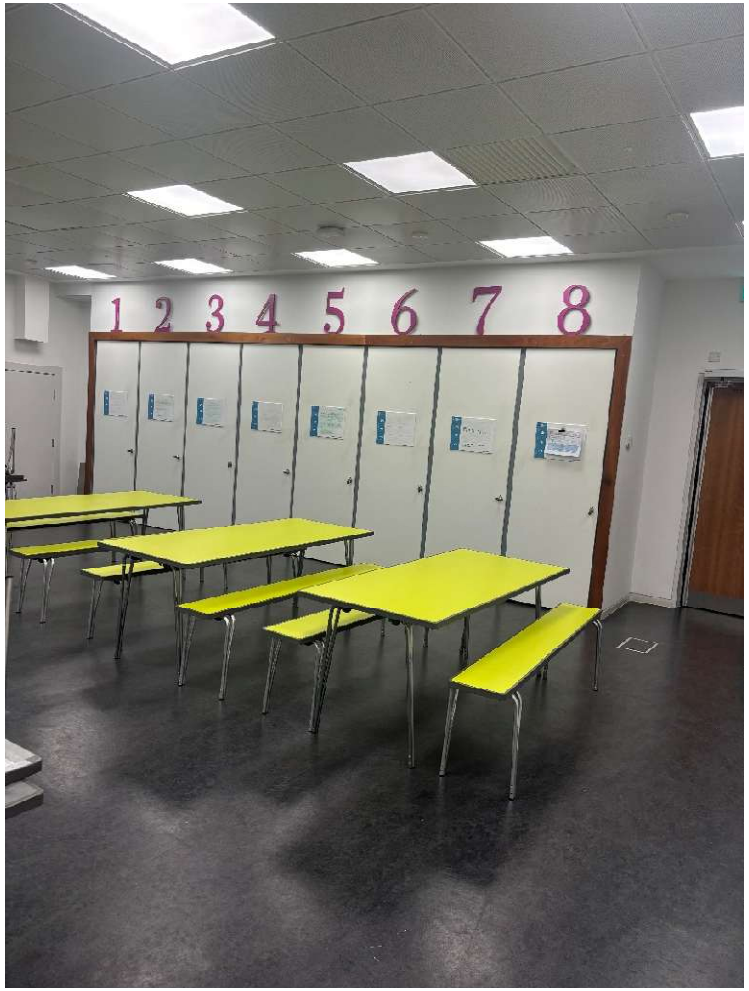
ROYAL
OBSERVATORY
GREENWICH

I will go to the Lecture Theatre for a workshop called 'Zoom to the Moon'

The workshop will have activities to do. There will be things to touch, to look at, and to smell.

ROYAL
OBSERVATORY
GREENWICH

This is where I'll have my lunch.

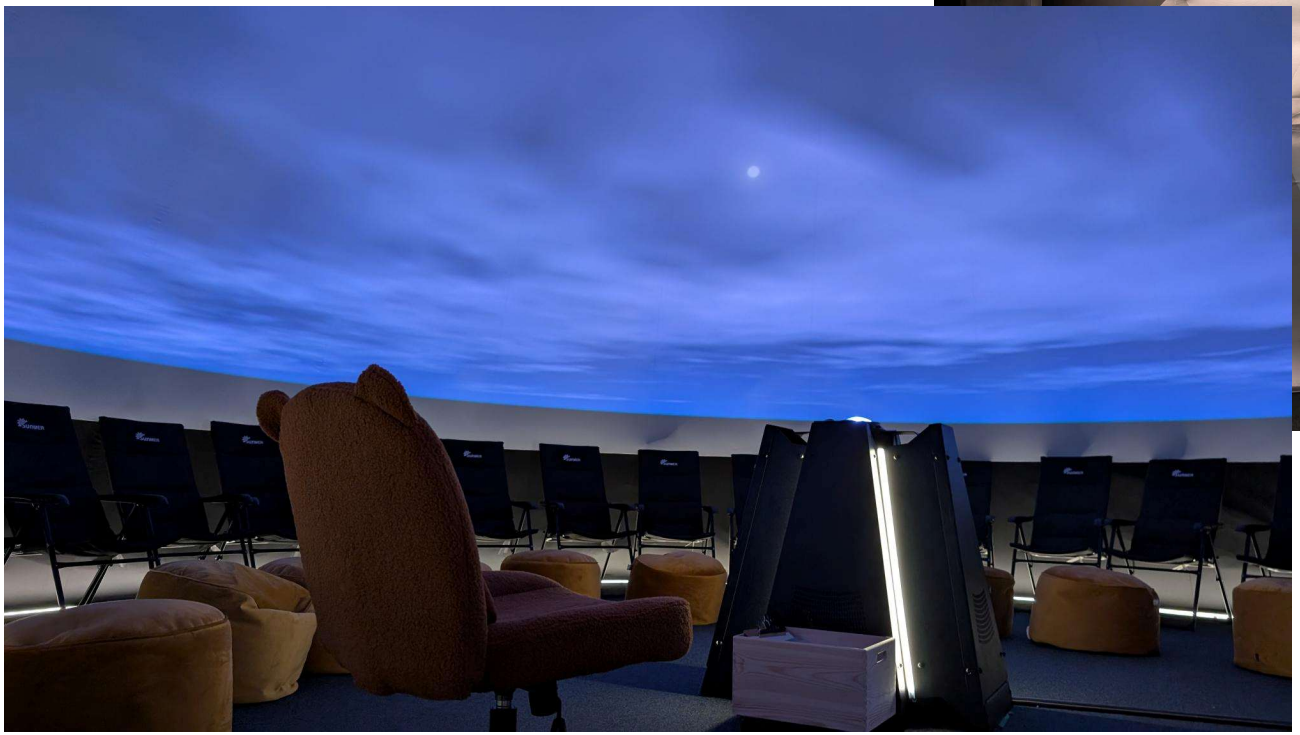


ROYAL
OBSERVATORY
GREENWICH

I will go down the stairs or in the lift to the planetarium and 'Astronomers Take Over' exhibition.

ROYAL
OBSERVATORY
GREENWICH

In the planetarium it is dark, and we will sit and watch a show about animals in space together.



I can also ask questions about space if I want to.

ROYAL
OBSERVATORY
GREENWICH

I will go to 'Astronomers Take Over'.

In this space there are friendly Explainers who are dressed in blue.

I can ask space questions if I want to.

There will be sound playing through speakers all across the room.

There are lots of things to look at and to touch.

There will be other people in here and it might be busy.

GREENWICH

Hidden inside one box in the 'Astronomers Take Over' exhibition is a gorilla costume. I can look in this box if I want to.
