

There might be more than one of each animal. You don't need to count them all!

**Lower hold:** pictures of dragons on tea chests near entrance.

**Lower Hold:** video screens and blocks game (Alice in Wonderland), past seating area.

**Sammy Ofer gallery:** large screens at floor level, watch closely!

**Tween Deck:** photo on glass panel near the steering game (look carefully!)

**Tween deck:** photographs, films and drawing of sheep.

**Tween deck:** photo on glass panel near the steering game.

**Sammy Ofer Gallery:** figureheads display.

**Main Deck:** wooden pigs in pens at bow (front) of ship, near stairs to deck below.

**Entrance:** cat in big Victorian dockside drawing.

**Main deck:** cat heads (golden cat's faces, best seen from *Cutty Sark* gardens but can be spotted off the bow, where the anchors are). Not quite a tiger but close!

**Lower Hold:** toy monkey in the tea chest tunnel

**Main Deck:** wooden monkey near the big ship's wheel at the stern (back) of ship.

**Entrance:** big Victorian dockside drawing (being caught by cat).

**Lower Hold:** toy rat in tea chest tunnel.

**Main deck:** chicken coops near the lifts / bridge.

**Sammy Ofer Gallery:** figureheads display (horses tail in Nannie's hand), *Cutty Sark* story video, Tam O'Shanter paintings.

# Animal hunt

## family trail ages 3 and up

### Did you know?

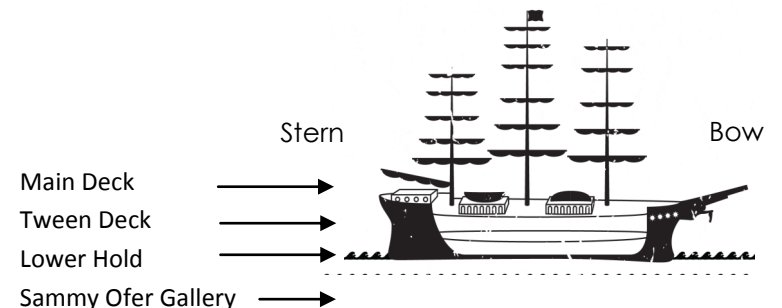

*Cutty Sark* was built to carry tea from China.

In China, each year is linked to an animal.

### Some of the animals are hiding on the ship. Can you find them?

Get your finished trail  
**stamped** in the shop!

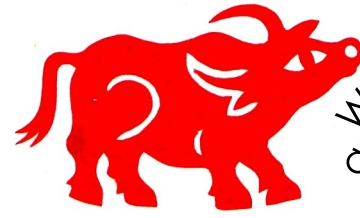

Look on these

Breathe fire when you find me!

Lower Hold

We're big and strong and hiding in a photo

Tween Deck

Baaaaaaaaa  
When you find me

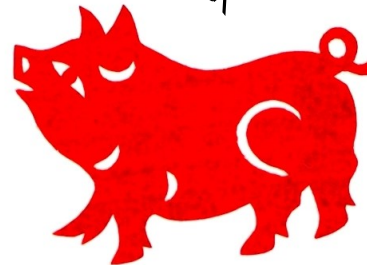

What pet would you have?  
Captain's dog

**Clue!**  
Look for my shiny cat friends by the anchors

Main Deck - animals ahoy!

Oink Oink

? What's in my hand?

Under the ship

Ask Cutty Sark's figurehead!

What happened to your tail?
