

## **RMG Photography Policy**

### **Non-Commercial Photography**

Visitors are permitted to take non-commercial photographs, video and sound recordings for personal use within the grounds and galleries of Royal Museums Greenwich. This encompasses the National Maritime Museum, Royal Observatory Greenwich, the Queen's House and *Cutty Sark*. Some exclusions will apply in galleries, managed by the Visitor and Sales team, at their discretion.

We encourage and welcome the sharing of photographs on social media and with friends and family, though we ask that all visitors show consideration for other visitors and staff by not taking photographs without prior permission.

Photography and video using drones (UAV's), a tripod, monopod, flash and supplementary lighting is strictly forbidden. 'Super' selfie sticks are not to be used in the galleries.

Restrictions may also apply where items are on loan or have copyright restrictions and we will try wherever possible to make this clear in our signage, but visitors should be aware that it is their responsibility to ensure no copyright is infringed.

Press filming and photography must be agreed in advance and supervised by the press office. Please contact [press@rmg.co.uk](mailto:press@rmg.co.uk)

### **Commercial Photography**

Commercial photography and filming is strictly forbidden in both the galleries and the museum grounds. Commercial photography and filming requests should be sent to the Events Team [events@rmg.co.uk](mailto:events@rmg.co.uk)

We can licence images of our buildings and collections for commercial use and enquires should be directed to the Picture Library [images@rmg.co.uk](mailto:images@rmg.co.uk)

Some galleries do have clear signage showing that ~~commercial~~ photography is not permitted.
