

Find

Sea Things

on Level 1

Pick an object and talk about what it looks like together.
Now try and find another object that is similar to it in some way.

For example, if your first object is red and square try and find something else that is red or square.

Make a drawing of your two objects on an adventure at sea.

Sea Things shows a huge range of objects linked to the sea including a whale's tooth, a Roman anchor and an ancient Egyptian model boat.

Look at objects in this gallery.

Can you find an object that you really like?

What do you think your chosen object is and how might it have been used?

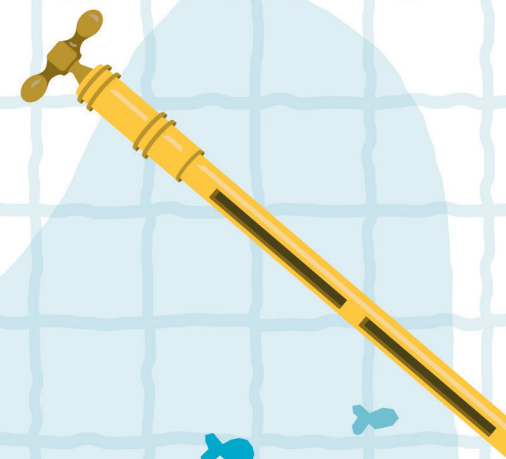

My object is

Why do you like it? What material and colour is it?

Talk together about what you think your chosen object is and how it might have been used.

Choose one of these objects to look at closely.
How do you think it might feel if you touched it?

Go ahead and feel it, run your fingers over all the surfaces.
Can you describe to someone how it feels in three words?
Does it feel how you expected?
