

AHRC Observatory Networks

Digital participant Information – Workshop 3

Welcome

Thanks very much for joining us at the third event in our series of research network workshops, we're grateful for your time and interest. To ensure that everyone has a safe, enjoyable and productive session, we would like to provide the following information and we kindly ask all participants to keep the discussion friendly, professional and supportive.

Joining the workshop

- We will be using Zoom webinar mode (so you will not have video or audio access unless invited to contribute)
- Please click on the Zoom link for the relevant session shortly before the session starts.
- This link is for registered participants only, please do not share with others. If your colleagues would like to attend, please ask them to register via our website to receive the links.

Asking questions

- Please use the Q&A box to type your questions. We will try to include as many questions as possible within the constraints of the timetable.

Chat

- The chat will be downloaded at the end of the event. The team will then extract any useful info (references, details of other events) to help us identify key discussion points for research and planning.
- Please do not add any personal contact details to the chat (emails, phone numbers).

Social media

- Please tweet with the hashtag #ObsNet3

Privacy and Security

- This event will not be recorded for later viewing.
- Please do not make your own recordings, either as videos or screenshots.

Questions or concerns on the day

- Any queries, please do message us via Twitter DM (@Observatory_Net) or else email sarcher@rmg.co.uk
