World Oceans Day

The National Maritime Museum is home to hundreds of years of seafaring history, from the vast Pacific to the icy Arctic and Antarctic Oceans, but our relationship to the sea is changing. World Oceans Day is your chance to dive into the past, present and future of our blue planet. Featuring live performances, expert talks and science demonstrations, workshops, games and more, World Oceans Day is a fantastic family day out in London.

Make the most of your day out at Royal Museums Greenwich

Cutty Sark

Discover what life was like on board the iconic *Cutty Sark*.
