

ROYAL
MUSEUMS
GREENWICH

Royal Museums Greenwich

Priceless partnerships

Who we are

We are *Cutty Sark*, the Royal Observatory Greenwich, The Queen's House, the Prince Philip Maritime Collections Centre, and the National Maritime Museum. We are home to globally iconic locations, set in the heart of a UNESCO World Heritage Site.

We are a collection of diverse sites with unique identities, overlapping interests and a common purpose to connect the past to the present, and shape the future.

What we do

We are a national museum and education charity. Our work sits where history, art, and science meet, inspiring millions each year.

Our unique collections, sites, experts, exhibitions, and events empower everyone to discover worlds, cross boundaries, bridge cultures, and create connections.

Our impact

We are inclusive and welcome people of all ages, backgrounds, and interests

Each year:

- 17 million+ people globally visit our digital platforms
- 5 million+ people visit to our grounds and buildings
- Our global media impact is around 2 billion people
- 500,000 people engage with our learning and community programmes

Events: from exclusive VIP
events your clients will
always remember...

London is renowned for its historic
roots, art, royal heritage and pioneering
architecture. Royal Museums
Greenwich reflects that, with five
unique venues available to hire.

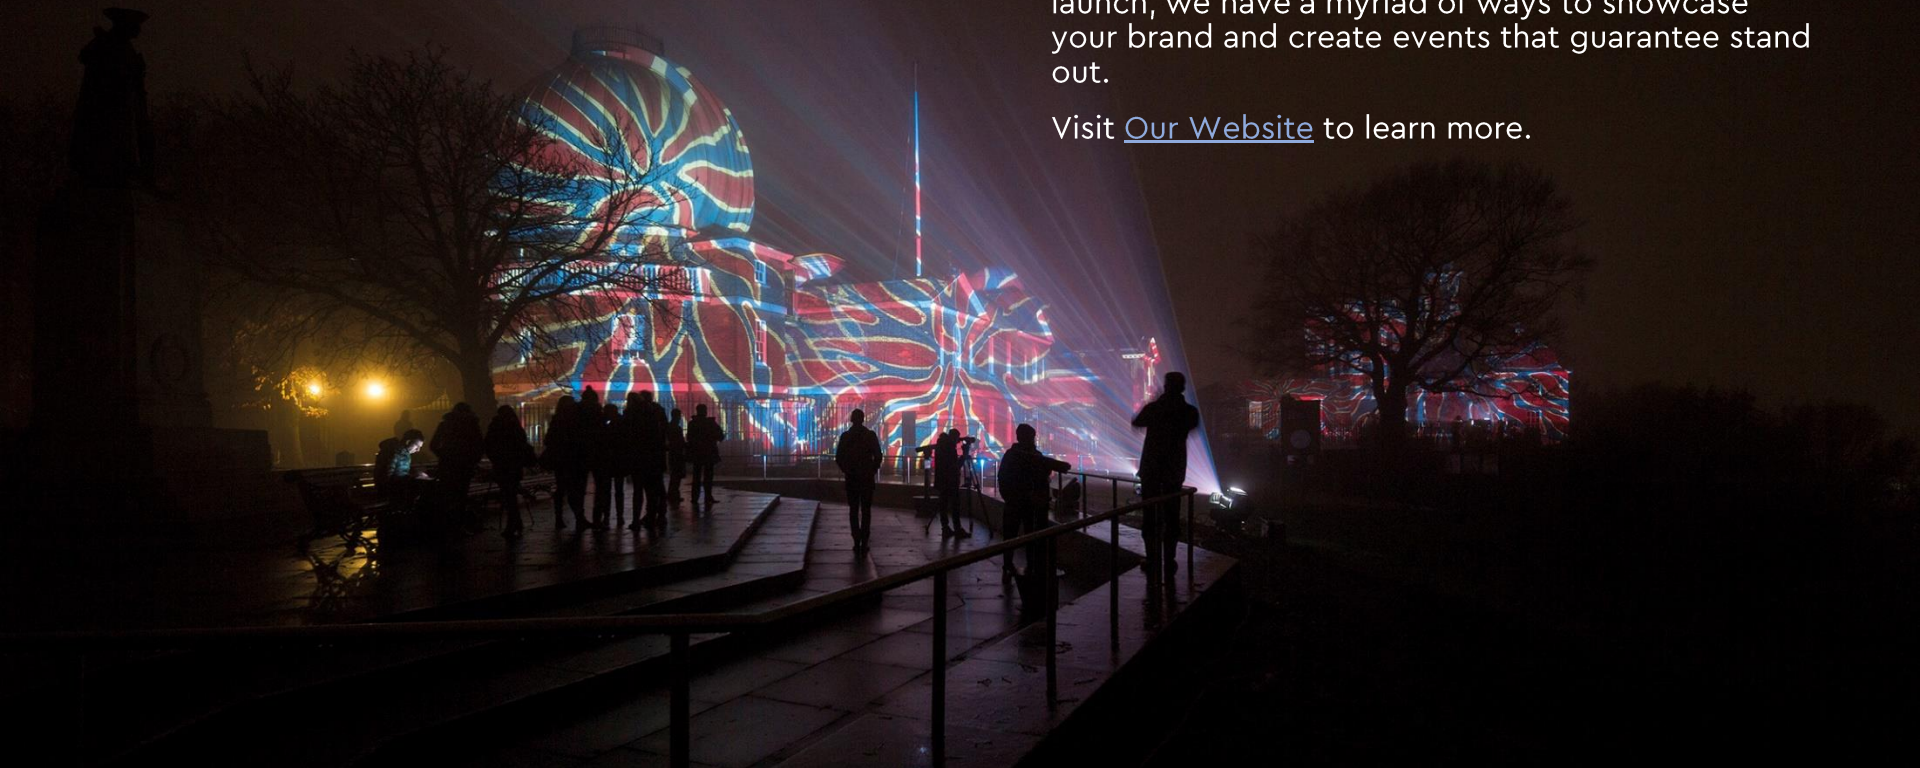

...to landmark events nobody can forget

Conveniently located near the ExCel Centre and Canary Wharf and with capacities ranging from 2-5,000 guests, we offer world class private venues in a heritage setting ideal for any event.

Whether it's a crucial meeting, sumptuous dinner, a star-studded reception, filming, or a product launch, we have a myriad of ways to showcase your brand and create events that guarantee stand out.

Infinix's award-winning partnership with the Royal Observatory Greenwich generated significant media reach in over 14 countries, including integrated social and TV activity.

Our partnership created the perfect platform for Infinix to showcase the role of their technology in making the universe more accessible, supporting science education, encouraging creativity, and empowering emerging talent.

Making Your Mark

However you chose to work with us, all partnership proceeds go directly to the conservation of globally iconic landmarks, historic collections, important research, and much-needed education and outreach programmes.
