

Ted asks: What happens in a year?

Key Stage 1

Topics covered: The seasons

Teacher Notes:

Before you start, make sure to watch this video: <https://www.rmg.co.uk/schools-communities/teacher-resources/ted-asks-what-happens-year>

These activities can be completed in order, or individually.

Activity 1:

- Draw a line connecting each object with the season you would find it in.
- This sheet can either be printed and given to students or displayed on the board and completed as a class.

Activity 2:

- Decorate each box with things Ted can see, do or wear in each season.
- Students can cut and stick images from Activity 1, draw, paint, or go outside and search for leaves and flowers to stick to the sheet. Be creative!

Draw a line connecting each object with the season you would find it in!
