

Find Nelson Navy Nation on Level 2

Nelson, Navy, Nation explores the stories of British sailors who served on warships in the Royal Navy in the 1700s and 1800s.

Can you find the figure of a sailor and his wife? What do you think life was like for each of them while the sailor was away at sea?

What do you think they might be saying to each other?

Choose one object that really interests you. Why is it interesting? Is it familiar to you in some way?

Now find another object that you think is completely different to your chosen object. Talk together about your two objects.

Can you find any way to make a connection between them?

Can you find the following contrasts?

Capture what you have found.

Something sad and something joyful

Something decorated and something plain

Something soft and something hard

Find a spot on the Great Map to begin your journey.

Today you will discover stories about the sea in the Museum. Use this trail to record what you find. You will meet sea travellers and explorers who sailed across the oceans.

What do you already know about the sea and sea exploration?

What kind of transport could people use to travel at sea?

What is an explorer?

What could an explorer investigate?

Make up your own pose to show that you are ready to start investigating.

Can you copy their poses?

How are they standing?

Find some explorers on the Great Map.

When you are in the galleries feel free to find a comfortable spot to sit, either on a bench or on the floor to draw or write on your trail. If you need any help during your visit speak to our friendly staff. There are toilets with baby changing facilities and places to eat and rest throughout the Museum. For more details please see the Museum map.

In the Museum you will find hundreds of incredible objects which tell the stories of people and their connections to the sea. Use this trail to discover amazing objects and record your journey.
