

The biggest circle

Where is the **biggest** circle on the ship?

Hint: look on the main deck at the stern (back) of the ship

 Draw it here

Is it taller than you?

This circle's job is: 

Well done, you have finished the trail
Now you are ship-shape and ready to sail!
Get your finished trail stamped at the shop.

Ship shapes

CUTTY SARK
GREENWICH

Family trail ages 5 and up

Captain's challenge

How many different circles can you find on *Cutty Sark*?

Start on the 'Tween Deck (through the Lower Hold and up the stairs) and look for different kinds of circles.

Fold here

I found **23** different circles.

Try to find more than me!

Record how many circles you found, then
get your finished trail **stamped at the shop!**

This trail belongs to _____

I found  circles

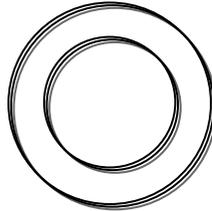

Jobs for circles

Find a circle you can...

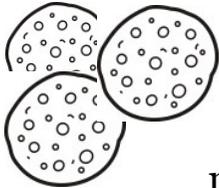

'Tween Deck

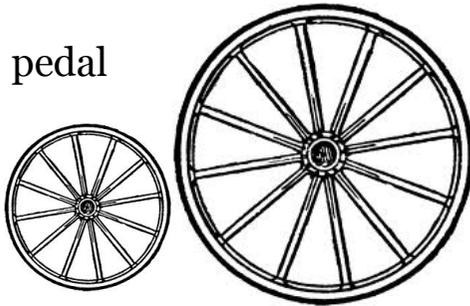

float in

eat

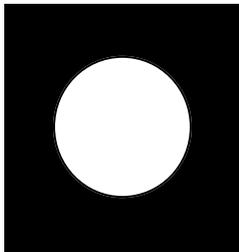

pedal

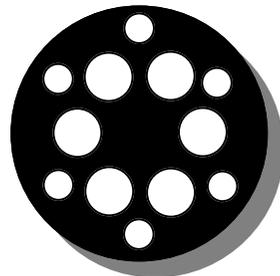

Main Deck

wee into

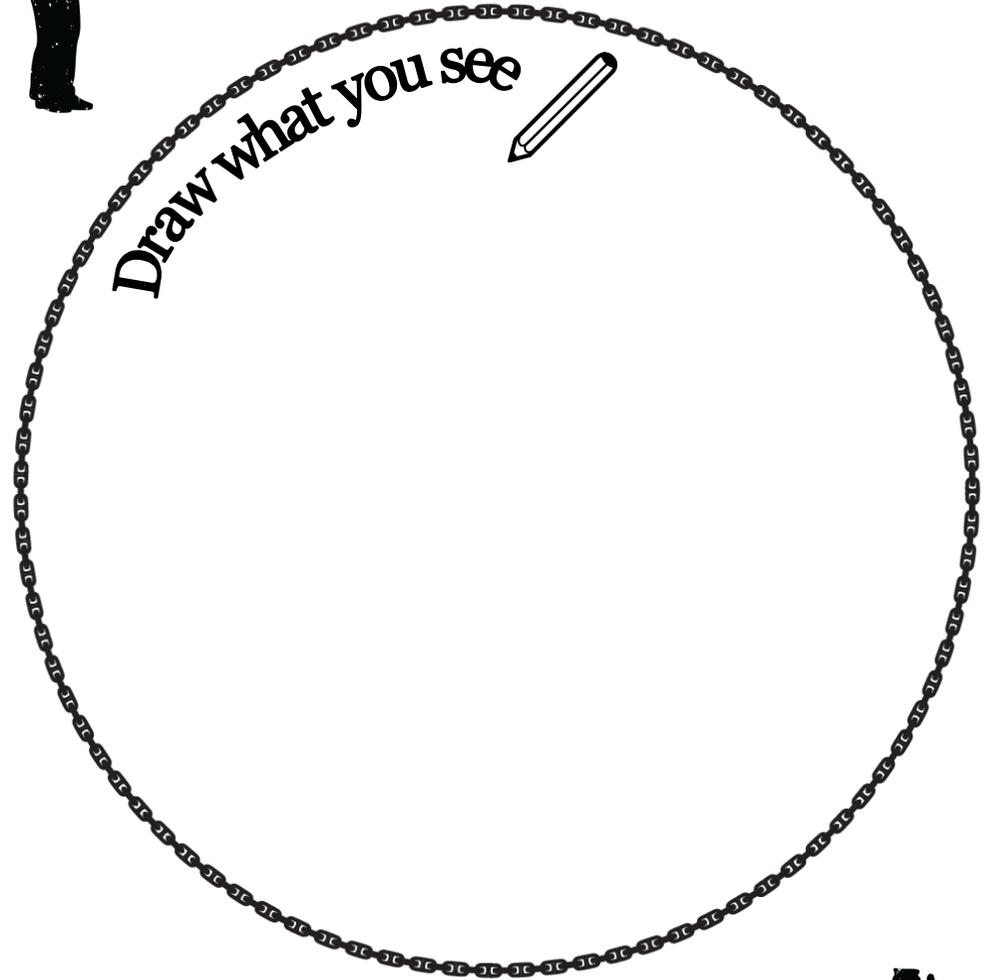

balance your
drink in

How many circles can you find to spy through?

Draw what you see

Can you find any more circles?
Don't forget to keep counting!

Hint: look in the Captain's cabin!
